

## Executive Director, Bio/HealthTec Accelerator

The Phoenix Bioscience Core (PBC) is seeking an Executive Director for **Bio/HealthTec Accelerator** to increase awareness and support the entrepreneurial ecosystem leveraging the PBC's contributions and resources within the healthcare, biosciences, and healthtech ecosystem in Arizona, specifically through the PBC's efforts related to new venture growth (post seed), new capital pipelines, and entrepreneurial ecosystem development.

**Typical Duties:** (The job description may not be inclusive of all assigned duties, responsibilities, or aspects of the job described and do not limit the assignment of the related tasks in any position of this class.)

Design, build, and run an investment readiness (i.e. post seed) accelerator for early stage companies.

Cultivate relationships with key external constituent groups, including alumni, donors, venture capital, government, funding agencies, and the local community.

Plan, establish, grow, and maintain strategic partnerships with companies, organizations, and public entities to support the PBC's mission and initiatives.

Partner with government and economic development agencies to identify or create incentives for companies to establish nexus in Arizona.

Build strong relationships with donors and industry in support of philanthropic funding.

Create an

**Knowledge,  
Skills and  
Abilities:**

The successful candidate will demonstrate:

Knowledge of and experience in new venture formation and growth and risk capital.

A successful track record of obtaining philanthropic, grant, and other funding.

Experience with Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) programs.

Experience translating innovation into new company formation.

Sound understanding of regulatory pathways and current knowledge of recent FDA standards.

Experience with intellectual property rights and tech transfer policy.

**Minimum  
Qualifications:**

Minimum qualifications include a bachelor's degree and 10 years of experience in medical and health technology and/or in the business incubation/innovation space. An equivalent combination of experience and/or education from which comparable knowledge, skill, and abilities have been achieved will be considered.

**Salary and  
Benefits:**

\$88,500 to \$233,450 per year, depending upon experience and
